

Assistance with

HOSPITAL VISITING

-The Parish of Pettaugh-

If you are having difficulty in dealing with travelling or parking costs when visiting any hospital then please consider applying to your rector **The Rev. Susan Bates**. She may be able to assist with some financial help from a small fund that has been made available to her.

This is for either your own treatment or for long-term visiting of a relative or particular friend.

Also, if you have a friend or relative in prison and would like some assistance with travelling costs to visit them, then please do apply as well.

[All requests will be treated in strict confidence]

Telephone (preferably not Friday): 01728 860222
